APPRECIATION OF THE FORMAT

APPRECIATION OF THE FORMAT OF THE WORKSHOP

WOULD YOU RECOMMEND THE WORKSHOP TO A COLLEAGUE?

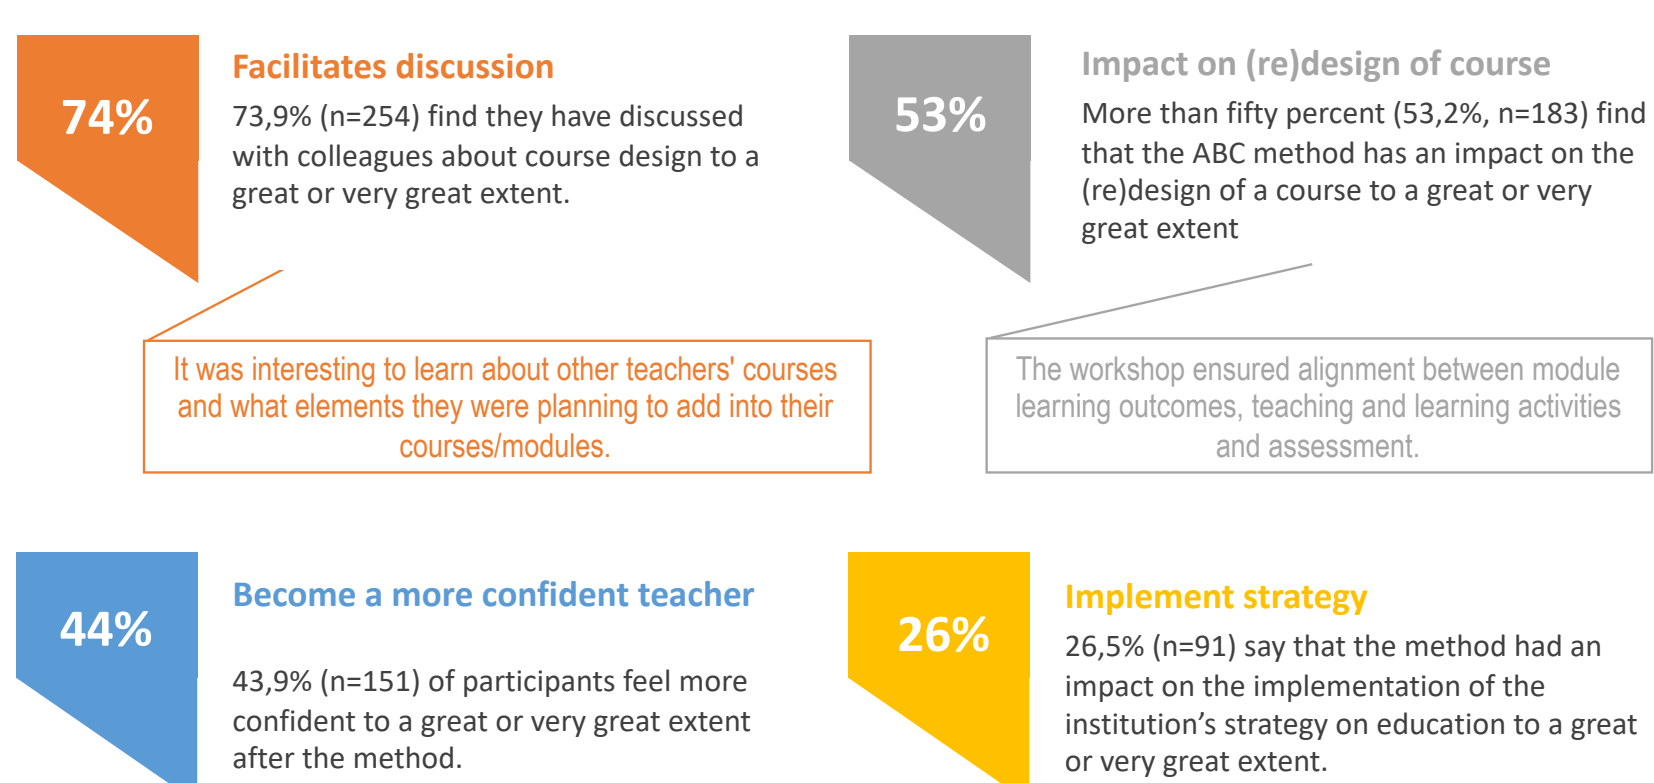

RECOMMENDED

- It's very hands-on and the vibe somehow makes you feel very excited about implementing the ideas that the workshop generated
- A surprisingly quick yet efficient way to view module/programme design: very practical and gave the opportunity to see it as a whole and at a glance, ensuring that a range of learning and assessments methods were incorporated.
- It was excellent to see a focused and well-structured meeting in action, with something of substance to show for it at the end of the session.
- It is also more activity-oriented rather than content-based way of thinking about (online) courses.
- It provides you with a "new" way of thinking about yourself as a teacher and the design of your course.
- It was intense, focused, innovative and facilitated extremely well.
- Fantastic tool for visualizing the course module which has led to reflection regarding the structure for different courses
